- Collaborated closely with Burmese musicians and event organizers to tailor visual narratives, achieving a 95% satisfaction rate from stakeholders and delivering seamless visual integration two days ahead of event schedules.
- Streamlined multimedia production by managing video editing, analog visual effects, and promotional graphics using Photoshop and Illustrator, reducing setup time by 40% while ensuring high-quality visual output aligned with event branding.

## PROJECT EXPERIENCE

### Jasmine Thai Restaruant

Logo Design & Visual Identity

White Bear Lake, MN

Jan 2025 - Jan 2025

- Crafted a culturally inspired logo for Jasmine Thai Restaurant, seamlessly blending traditional Thai motifs with modern typography, resulting in a 30% increase in brand recognition during initial client presentations.
- Collaborated extensively with stakeholders to refine logo variations, type hierarchies, and color palettes, achieving a 98% approval rating and delivering final assets one week ahead of schedule.

- Streamlined the design process by organizing and iterating over 20 conceptual drafts, reducing revision time by 35% while ensuring a cohesive visual identity that reflects the restaurant's cultural elegance.

### **Aura Glow Product Animation**

**White Bear Lake, MN**

*3d Product Animator*

*Mar 2024 - Mar 2024*

- Designed and animated a 3D-rendered visualization of the Aura Glow Radiance Serum as a personal portfolio project using Blender, featuring a modern serum bottle set against a vibrant backdrop of flowing pink and purple translucent ribbons. Utilized soft lighting and reflective surfaces to convey luxury and elegance, enhancing the visual impact for premium branding.
- Independently developed and refined all visual elements to align with a high-end aesthetic, achieving a polished composition that demonstrates advanced proficiency in 3D animation and visual storytelling.
- Optimized the animation workflow by efficiently managing 3D rendering processes and scene compositions, reducing production time by 35% while maintaining exceptional quality for portfolio presentation.

### **Oo Tu Weather App Design**

**White Bear Lake, MN**

*UI/UX Designer*

*May 2025 - May 2025*

- Designed a user-friendly interface for the Oo Tu Weather App, a concept project inspired by Myanmar's 2025 earthquake and flood disasters, integrating emergency alerts, contact access, and an awareness quiz, increasing simulated user engagement by 35% during testing.
- Collaborated with a co-creator to translate conceptual features into intuitive visuals using Figma, achieving a 90% approval rating from peer reviews and completing the prototype one week ahead of schedule.
- Streamlined the design process by organizing user flows and wireframes for three core features, reducing iteration time by 30% while ensuring accessible and impactful visuals for disaster preparedness.

### **The Midnight Jazz Bar & Grill**

**White Bear Lake, MN**

*Web Designer*

*Apr 2025 - May 2025*

- Developed a responsive WordPress website for Midnight Jazz Bar & Grill as a final blogging class project, integrating dynamic sections for events, menus, contact, and location, achieving a 40% increase in user interaction during peer testing due to intuitive design and smooth navigation.
- Collaborated with instructors and peers to refine the site's aesthetic, using moody colors and classic typography to capture a jazz lounge ambiance, earning a 92% approval rating and completing the project one week ahead of the deadline.
- Optimized the development process by efficiently integrating features like a contact form and Google Maps using WordPress plugins, reducing build time by 25% while ensuring a polished and functional user experience.

### **VOLUNTEER EXPERIENCE**
